ATIF

# Arthroplasty Technology & Innovation Forum

November 27, 2026 | Munich | DE

Join the next Arthroplasty Technology & Innovation Forum (ATIF) hosted by Arthrex, where an inspiring group of internationally renowned faculty will come together to share insights into cutting-edge technology in shoulder arthroplasty.

This forum provides an interactive format with didactic sessions, battles, and panel discussions. This will allow for an exchange of experiences with experts on the latest advancements in shoulder arthroplasty surgery.

Arthrex®

# Focus sessions include

- ShARC updates: research to stay on the cutting edge
- The importance of pre-operative planning
- Current concepts in anatomic shoulder arthroplasty
- Current concepts in reverse shoulder arthroplasty
- Proximal humeral fracture treatment
- Panel discussions in each session
